Thanks to all of our participants for making this event a success!

"Very thankful to have participated in our first BioNetwork Career fair, and looking forward to future opportunities in which we can support each other in our industry!"

~Körber Pharma

"This was a great event, we spoke with close to 60 candidates out of which we have moved several to further interviews and offers with our company."

~Seqirus

"The virtual career fair was a great opportunity to network and find a job in the biopharmaceutical manufacturing industry!"

~BioWork Student
